THE MANOR COLLECTION

The Manor Collection. Especially designed to meet the needs of single residents. Single-level, garden style homes clustered in groups of eight for the look of a large country manor home. Each two-bedroom, two-bath residence comes complete with a beautifully equipped or contemporary fireplace in the living room. Also included are a kitchen, laundry room with washer and dryer and choice of traditional portico or balcony off the master bedchamber, a private entry and your own garage.
